Winslow Junior High School

✿1975-1976✿

This annual was sponsored by the Winslow Junior High School Pep Club. It is the result of the efforts of several seventh and eighth grade students who helped during their study hall periods or before school. We wish to thank all those concerned, who made this annual possible and a special thanks go to Mr. Curtis for his support of this annual and to the Pep Club, our sponsor, who financed the film and its processing, needed to complete the annual. This was their service project for the school. We hope that when you look through this annual many years from now it will bring back many happy memories of your Junior High years, the good friends you have made, the teachers who helped you when you had a problem, and the staff members who are always here when you need them.
